## BOSS Power HTX V-Plow

### Standard Features:

- **SmartLight™ 3** 100% L.E.D. lighting system is equipped with up to 2x the light output when compared to traditional halogen systems. Also features Ice Shield Technology™ to prevent snow and ice build-up.
- **SmartShield®** delivers an exclusive plow finish with corrosion protection and long-lasting, high gloss shine.
- **Full Moldboard Trip Design** helps to prevent plow damage when an obstacle is encountered.
- **Strong, Durable Push Frame and Quadrant** adds additional strength and reliability.
- **SmartHitch® 2** makes it easy to attach any BOSS plow with a three-step process — flip, plug, click.
- **High-Performance Enclosed Hydraulic Package** delivers speed and reliability with protection against corrosion and hydraulic freeze-up.
- **2-Year Limited Warranty** protects against material defects for peace of mind.
