BOSS D-Force

Features & Benefits:

- D-Force is a patented, industry leading down force system for straight-blade truck plow models including Super-Duty and HTX Straight-Blade plows. (Excludes EXT, Heavy-Duty and Trip-Edge plows.)
- Features a nitrogen charged accumulator to maintain consistent hydraulic down force to improve scraping performance while backdragging.
- Applies 400 lbs. of down force to the HTX Straight-Blade cutting edge when backdragging and 360 lbs. of down force to the cutting edge of Super-Duty plows.
